# **SERVANT LEADERSHIP**

But Jesus called them to Himself and said, "You know that the rulers of the Gentiles lord it over them, and those who are great exercise authority over them. Yet it shall not be so among you; but whoever desires to become great among you, let him be your servant. And whoever desires to be first among you, let him be your slave— just as the Son of Man did not come to be served, but to serve, and to give His life a ransom for many." Mathew 20:25-28

## Humility: The Way Up

*Beloved,*

*The swiftest way to promotion and lifting is humility. It is the only thing that God looks for before He takes a person to the next level. God goes by the condition of your heart. The more you allow humility to lead your life the more you will be empowered. Proverb 29:23, 18:12, Mathew 23:12*

### **What is Humility?**

*Don't be selfish; don't try to impress others. Be humble, thinking of others as better than yourselves. Don't look out only for your own interests, but take an interest in others, too." Philippians 2:3-4. (NLT)*

*Humility is having the right estimation of yourself and allowing this estimation to govern all your relationships (with God and others). It is how you think about yourself, rooted in the mind, express through the mouth and in your attitude.*

*"Because of the privilege and authority God has given me, I give each of you this warning: Don't think you are better than you really are. Be honest in your evaluation of yourselves, measuring yourselves by the faith God has given us. Just as our bodies have many parts and each part has a special function, so it is with Christ's body. We are many parts of one body, and we all belong to each other. Live in harmony with each other. Don't be too proud to enjoy the company of ordinary people. And don't think you know it all!" Romans 12:3-5,16 (NLT)*

*Estimate yourself by seeing yourself no more or less than God sees you and esteem yourself within the boundaries that God esteems you. God sees you as somebody saved by grace. You are who you are today by God's grace and without His grace you are capable of doing nothing. You are a member of the body of Christ whom God has set to occupy a specific position and perform a specific role. You are interdependent on those who are placed above you, those who are placed besides you and those who are placed under you. When you maintain the right estimation of yourself in humility, you will keep looking up to God to shape your life through His word and never look down on people. 1 Corinthians 12:11-27, James 1:19-21.*

*Humility demands that you obey God without conditions; you submit to those that are placed above you without dissensions; you celebrate those that are placed besides you without contention, strife and rivalry; and you serve those that are placed under you without segregation and prejudice. 1 Peter 5:5-6*

*Anything that revolves around you and makes you the focus is pride. Pride shifts your focus from God to you which tend to selfishness all the time, while humility shifts the focus from you to God. The most powerful way to stay humble is to Praise God and celebrate man. Humility helps you to enjoy increase in favor with God and man; and you will also enjoy God's preservation. Psalms 18:3*

## **God, My Banner of Covering**

*I want to thank God for proving that he is an awesome God.*

*This Year being our year of overflowing favor, Pastor declared that we will not sorrow over our loved ones and our loved ones will not sorrow over us. The Easter season was pretty intense with preparations and while participating, I intentionally did not take off from work because I did not think it was necessary. I worked Friday night, after work I did some errands then went straight to the church for rehearsals. By 3 pm I excused myself from rehearsal because I needed to rest at least for 2 hours before going to work. So I left and drove home.*

*On my way home on the freeway I started getting sleepy, but I kept on managing and waking myself up. Then I got to my exit ramp and that was the last thing I remembered. The next thing I saw was that my car had come to a halt and a woman had gotten down from her car and was banging on my window. I woke up from this deep sleep and realized my car had stopped at the exit with all these cars behind me. How it stopped I don't know. How I got there I don't know. All I know was that I was terrified but at the same time I had just witnessed one of the greatest deliverance of my life.*

*My heart rejoices and I am glad I was in the house of the lord. One thing became clear once you are in God's purpose his protection and covering becomes your portion...To God be the Praise.*
